

## WELCOME

//

If you want to view paradise take a look inside and view it...  
Anything you want we do it, want to keep it clean,  
there's nothing to it.

A menu created to enhance any social situation,  
be it light lunch with friends, spontaneous shared appetisers  
and platters, or nights to remember with hand crafted cocktails  
and award winning food.

Inspired by a love for home cooking, we boast our take on comfort  
food, seasonal specials, the best ingredients, and regional must haves.  
Our tacos need little introduction, our burgers are infamous,  
and platters are perfection.

Don't take our word for it, dive in head first,  
and save some room for dessert.

\*Served best followed by dancing. This must be the place.

LJ xx
